

May 2016 Crime Report

(As prepared by John Douglas)

Total number of crimes in Vallejo: 529

Total number of crimes in Benicia: 42

Total Number of crimes in Glen Cove: 13

At any given time 1 of 8 police officers on duty is assigned to Glen Cove (12.5% of the total force). Glen Cove accounts for 2.46% of the cities total crime in the month of May.

Benicia has a population of around 27,000 people. If we assume an average of 2 people per resident in Glen Cove that would be approximately 6,000 people. On a per capita basis, we are on 16.5 crimes more than Benicia.

One of the most common crime issues is domestic disputes. The death of Officer Vegas was a domestic dispute. EVERY murder in Glen Cove since 2000 has been by someone the victim knew. I have reached out to Safe Quest to develop content for our site and educate people and neighbors on what to look out for and when to report things.

This report was generated from data located at www.crimereports.com. Federal crimes such as mail box theft are not included. Any questions, comments, or corrections should be directed to John Douglas at GlenCoveVallejo@GMail.com
